

## **Interim Manager deployed at PE corporations**

July 22, 2015 "Interim Management meets Private Equity" – this was the main topic of the event DDIM.regional // Baden-Württemberg, hosted by the parent company Deutsches Interim Management (DDIM) on Wednesday evening in Stuttgart. Despite very summery temperatures beyond the 30 degrees Celsius mark, 50 guests had gathered in the Hall of Mirrors at Schloss Solitude in Stuttgart. Mr. Bernd Sexauer, member of the management of Deutsche Beteiligungs AG, elaborated on the terms of Interim Management regarding the subject of private equity during his presentation. Afterwards, the guests intensively discussed with the present expert, Mr. Sexauer, the market potential, the different phases and private equity capabilities for Interim Management in the previously neglected private equity market.

Then, everyone had the opportunity to support and expand their personal network alongside some snacks and regional wines. The organizers Michael Daub (Interim Manager), Björn Knothe (division one – provider) and Dr. Markus Pilz (Interim Manager) are very happy about another successful event in this series. The next DDIM.regional // Baden-Württemberg is expected to take place on November 4, 2015.
